

## 6) AI models used

Skin tone detection

Computer vision

2023

Dress — image — Deep learning

## ④ Smart bike Prediction system w<sup>g</sup> google maps (AI dashboard)

① Google maps navigation on bike dashboard

Screen must fixed

Shows

live google map

turn by turn navigation

distance, time, hours, km to reach the location

② Traffic prediction (AI feature)

AI predicts

Traffic jam head

Best route

delay time

(google map data,  
historical data)

③ Fuel / Battery prediction

How much fuel needed

Electric bike battery range

when fuel will finish

where we can ~~find~~ <sup>recharge</sup> the battery
